Romans 8:28 “*And we know that in all things God works for the good of those who love him, who have been called according to his purpose.*”

Alaska Mission Trip: Our group is back from serving the people of Wasilla, Alaska. There are a few pictures on the back side of this flyer. Please pray for GraceWorks as they continue with 3 more weeks of serving in the parks over there with different groups. They are really bringing the love of Christ to the children and families over there. Alaska is the least church-attending state in the United States and there is much prayer needed!

Parent/YPOG Meeting: Wednesday August 29th 5:30 PM in church basement. Supper will be provided. We will discuss the 2018-2019 year, coffee hour sign-ups, fill out forms, etc. Please let Jenna know if this date DOES NOT work for you. This meeting is for parents and kids going into 9th-12th grade. The back-up date if we need to reschedule will be Wednesday September 12th.

August 2018

2018 Summer Mission Trip:

26 youth and 8 adults went to Wasilla, Alaska July 8-15th. Thank you to the congregation for keeping this group in their prayers as they brought the love of Christ to Alaska! They led crafts, food, games and bible skits in 3 different parks during the week. They also held community park parties at each site. On their down time they were able to explore and learn more about the state of Alaska. Here are a few pictures from their week of service ...
